

Representations and Warranty Insurance Cost Calculator

Patrick Stroth

Rough Estimate Calculator

Indemnity cap multiplied by 2.5% (0.025) = Your Rough Premium Cost

This is a rough estimate. For a more precise estimate, you also need to take into account additional factors. Fill out the blanks below, send the details to the team at Rubicon M&A Insurance Services via email to pstroth@rubiconins.com and we can provide a good rule of thumb for how much you'd pay for a rep and warranty policy for your business deal.

Transaction Value: _____

Indemnity Cap: _____

Escrow Amount: _____

State of Domicile for the Buyer: _____

Deadline for Transaction/Estimated Closing: _____

Your Email Address: _____

Industry Type (helpful but not necessary): _____

Remember, send these details to Rubicon at pstroth@rubiconins.com to get a more precise cost for your rep and warranty coverage, including the underwriting fee.
